Equality Act (H.R.5). - **STALLED**

- **Force Schools (public and private)**, churches, hospitals, businesses, and other institutions to recognize an individual's "chosen gender" instead of their "biological sex." **Force women and girls to share bathrooms, locker rooms, showers, and sleeping facilities with biological men** who "identify" as women.
- **Crowd women out of female athletics** - by forcing them to **compete against biological males** who identify as female.
- **Medical professionals pressured** to provide **puberty blockers and hormones**—these are irreversible, have not been shown to help mental health while **creating a host of permanent physical health problems**.
- **Strip parents of their rights** to make decisions for their children. If a parent chooses against allowing their son or daughter to receive life-altering hormonal treatments, **they could lose custody**.
- **Parents lose control over their child's education**. Force public schools to incorporate transgender theory and sexual preferences into the school curriculum.

\$4 Trillion Infrastructure

- Over 60% of the bill is NOT infrastructure, but leftist wish-list.
- Remember Pelosi: “We have to pass it to find out what’s in it.”
- 19 Republican’s including Burr and Tillis (NC) voted to send it to the House! CALL THEM -- SITE.
- Republican participation gives Dems cover for another \$3.5 Trillion appropriations bill to be forced via reconciliation. Pelosi trying to link the two -- Call representative and senators
- Pivot to Lewis Voting Rights Act

The background of the slide is a stylized American flag with stars and stripes. The title "Critical Race Theory" is centered at the top, underlined, and written in a large, bold, black font.

Critical Race Theory

- Senate voted passed amendment to the budget resolution preventing federal funds from being used to promote CRT in pre-K and K-12 schools. Put every Senator on the record on CRT.
- **All Republican** Senators are **against CRT** in schools, along with Democrat Joe Manchin.
- **All Democrat Senators** except Joe Manchin are **in favor of CRT indoctrination of our kids.**
- **Senator Ossoff and Senator Warnock** are in favor of this racist indoctrination.
- Everyone in your network needs to know about it. Georgia voters oppose the application of CRT in schools by a margin of 81-14%, putting Warnock and Ossoff completely out of

SB 4 Lewis Voting Rights Act

- **Democrats** have **pivoted** to Senate Bill 4 “John Lewis Voting Rights Act”.
- The bill would give the **Biden Department of Justice (DOJ)** the ability to veto any state election law that they don’t like.
- Allow President Biden the ability to rig the rules in favor of Democrats , **void all existing and recent laws that states have passed** to improve election integrity.
- SB 4 is no better than SB 1 – instead of Congress, it gives that **power to the President** to rule over state elections by **Executive diktat** by way of the **DOJ**.
